This isn't for everyone. But if you value calm, elegance, and having your own space, this might just be your place.~~In Doña Pepa, Ciudad Quesada, there's a villa where no one sees you... unless you want them to.~~Lush greenery wraps around the property, giving you full privacy and that comforting feeling of being in your own little world.~~Just 40 minutes from Alicante Airport and a short walk from the La Laguna spa hotel, you're close to everything—yet far from the noise.~~The villa is fully detached, and you feel it the moment the electric gates open. A private path leads you to your double garage, and right then, you know you've found something special.~~Inside, there's room to live, breathe, and enjoy. Three floors designed for comfort, with plenty of space for guests—or just for yourself.~~If you're thinking of retiring, or simply want a better life under the Spanish sun, this could be it.~~If it speaks to you, don't wait. Homes like this don't stay available for long.~~~(*Purchase taxes and legal fees not included*)~
