Central and very bright apartment with a garage and a super convenient storage room on your same floor~~If you are looking for an apartment in Torrevieja that is comfortable for everyday life, you have to take a look at this one. It is located on San Emigdio 37, just a stone's throw from the Town Hall (600 meters) and about a 15-minute walk from the sea.~~It is a fourth floor with plenty of natural light and comes with its own parking space so you can forget about driving around looking for parking. But the real daily luxury is that the storage room is on the exact same floor as the apartment. No basement labyrinths to store your beach chairs or suitcases; it's right outside your front door.~~The apartment is in very good condition, sold fully furnished, and ready to move into. It has a good-sized terrace, perfect for a table and relaxing (with fairly open views and a glimpse of the sea in the distance).~~A highly appreciated detail: both the kitchen and the bathroom have exterior windows, meaning no odors or dampness. Plus, the bedrooms have built-in wardrobes so you won't be short on space.~~It is an honest apartment, with a fair and balanced price for today's market. If you want to live in the center with maximum comfort or are looking for a hassle-free second home, come and see it.~
