~Nice Bungalow to live all year round in one of the quietest urbanizations in the area.~It has an excellent location where you will find all kinds of services such as supermarkets, restaurants, parks, leisure areas and 10 minutes from the beach and promenade of La Mata.~The house has a spacious terrace upon entering the house where you can enjoy sunny days after a well-deserved swim in the fantastic community pool that the urbanization has. It consists of a completely spacious living-dining room upon entering the house, 2 large bedrooms, separate kitchen with a small pantry, interior terrace, 1 bathroom, air conditioning with heat pump in the main areas of the house.~Don't miss this great opportunity!!!!~
