Townhouse in the centre of the village. The house has hardly been used since the year it was built, only sporadically in summer. Ideal for a young or middle-aged family, very close to the centre of the village, the castle and all services. If you are looking for a house to live in permanently and enjoy a house without neighbours upstairs in a quiet area of the village, this is the right house for you. With a ground floor bedroom, bathroom and separate kitchen you can cater for immediate family members or simply use it for family events or with friends. It needs no renovation, just updating with modern furniture and lighting.~~THE PRICE DOES NOT INCLUDE TAXES AND NOTARY FEES.~~
