This ground floor bungalow in Torrevieja is an ideal option for those looking for comfort and tranquillity in a privileged setting. With two bedrooms, living room, separate kitchen and a full bathroom it offers enough space for a family or to receive visitors in comfort. Its private garden is perfect for enjoying the outdoors, relaxing or even creating a cosy green corner. ~Located in an urbanization with swimming pool, green areas and sports areas, this home offers an active and relaxed lifestyle at the same time. The possibility of enjoying a swim in the pool, strolling through the garden areas or practising sports without leaving the community makes it even more attractive.~In addition, the bungalow is semi-refurbished, which may mean that it already has improvements in certain areas, but still allows you to customize some details to the taste of the new owner.~~~
