Not in vain, Torrevieja was home to the most important fleet of sailing ships in the Mediterranean, preserving the last examples until the middle of the decade of this century. Its many urbanisations, residential areas and recreational areas are, in short, proof of the proven tourist guarantee, fostered by the outstanding preference of world tourism.~~Among the many possibilities for leisure, recreation, fun, etc., this city offers everyone who visits it one of the best nautical clubs in Spain, a tennis club, golf clubs, an aeroclub, a municipal sports complex (indoor courts, tennis, pelota, athletics, sauna...) as well as its specialty, par excellence, everything related to nautical sports, presenting unbeatable facilities that have even hosted Olympic events in 1992, with more than 1,500 mooring points with their corresponding complementary offer.~~It also has: a municipal football stadium, a water amusement park, a fun fair, a theatre, numerous cinemas, etc.~
