Welcome to paradise! Imagine waking up every morning to the sound of the waves and a spectacular sea view illuminating your home in La Mata. ~~This real estate gem, located on the famous Calle Mayor, is like having a living painting where you are the star. With three spacious bedrooms (yes, you'll sleep like a king!), plenty of built-in wardrobes, and an en-suite bathroom that will make even your best friend jealous, everything here is designed for your ultimate enjoyment.~~The separate kitchen awaits you with open arms... or perhaps it would be more accurate to say: with open windows? Because you don't just cook there; you can also work your culinary magic while gazing out and imagining your next gastronomic adventures under the Mediterranean sun. And if you need to relax after all that cooking (or simply eating), head to the spacious living-dining room that opens directly onto that seafront terrace – yes, my friends, SEAFRONT! Perfect for romantic dinners or lazy days enjoying a refreshing drink.~~And what about that private 15 m² interior patio? A little oasis where you can unleash your gardening creativity... Or simply lie back and soak up some sun when no one's looking
