This large villa is for sale in the city of Torrevieja. To be more exact, it is located in the Los Ángeles Urbanization, which is outside the center of Torrevieja, but just 850m from Los Locos beach. It is so well located that it has access to all the necessary services such as pharmacies, supermarkets, beaches, bars, restaurants, schools, etc.~~It is a great opportunity since this home has a 400m2 plot and the chalet is distributed over only one ground floor, no stairs! It has enough land to build its own pool, even for a garage area.~~With this chalet you can get the house you want so much!!~
