Spacious apartment in a modern building, located just 20 metres from Los Locos Beach in Torrevieja. The terrace offers sea views, and the property's proximity to the beach makes it particularly attractive.~~The apartment has a comfortable layout and comprises:~~Three bedrooms.~~Two bathrooms.~~Two terraces, one of them with sea views.~~Separate kitchen.~~Spacious living room.~~All windows face the street, with no windows overlooking internal light wells.~~The apartment is equipped with an air conditioning system throughout.~~An additional advantage of this property is the redevelopment of the promenade along Los Locos Beach, where work has already begun. The project includes the creation of a large pedestrian area, improvements to public spaces and the development of local services and infrastructure. This transformation could make the area even more attractive both as a place to live and as an investment.~~
